

WPaCNX-CBO

ANALOG CONTROLS & PANELS

Remote Wall Panel Connector

PRODUCT OVERVIEW

WPaCNX-CBO is a wall-mounted remote control, with an XLR female, 3-pin + stereo jack (combo connector). This connector can be screwed at the rear (does not require any soldering).

WPa is a series of remote control wall panels for systems and interconnecting audio signals. It marks a development of its predecessor, the WPM series, with a modern, elegant, discrete aesthetic, designed in collaboration with Italdesign Giugiaro.

WPa series includes surface-mount installation box
